

**THE INSTITUTE OF BUSINESS MANAGEMENT AND TECHNOLOGY ALUMNI ASSOCIATION
(IAA)**

PREAMBLE

MBM-Tech/PGDM/MBA graduates, Faculty and current students of the THE INSTITUTE OF BUSINESS MANAGEMENT AND TECHNOLOGY (IBMT) have identified the need for an association for the purposes of promoting mutually beneficial development activities. The Association will be known as IAA (IBMT ALUMNI ASSOCIATION)

The Alumni Association is a Chapter of IBMT. The Alumni Association is an integral part of the IBMT, and membership of IBMT is a pre-requisite of membership of the IBMT ALUMNI.

The Association will provide a mechanism for past MBA students to maintain contact with each other, be a gateway for the IBMT to liaise with current and past students, and promote the activities of the IBMT within the business and college communities.

STATEMENT OF PURPOSE

The IBMT Alumni Association will conduct and promote activities that meet the professional development needs of students and promote the IBMT nationally and globally as a pre-eminent post-graduate business school.

OBJECTIVES OF THE ASSOCIATION

The objectives of the Association are:

To foster the ongoing professional development of graduates through the provision of activities of interest to members;

To provide a mutually beneficial link between the business community, MBA graduates and students;

To encourage and promote the IBMT as a source of relevant and challenging post-graduate business education;

To encourage achievement of the highest academic standards by supporting students throughout their studies; and

To be a source of support to the Faculty of the IBMT.

PROPOSED ACTIVITIES

In pursuit of these objectives the Association will engage in, but not be limited to, the following activities:

Conduct professional development activities designed to update graduates on current management theory and practice;

Arrange functions that encourage fellowship and networking between members, the Faculty and the business community;

To provide members with regular information on scheduled events, relevant IBMT matters and updates in management education;

Participate in activities that maintain and enhance the standard of management education presented by the IBMT;

Provide a point of contact for graduates and members who are overseas or interstate.

Provide a system by which management students receive support throughout their studies;

Promote the establishment of awards and scholarships for excellence or achievement in management education;

Provide an instrument through which industry and student groups can make contact for the purpose of project work;

Assist the IBMT to liaise with the business community;
